Our home is a shoe free zone where we live for our privacy but yet are open and friendly in a very Scandinavian manner. This is a newly painted, east facing room with a tilted ceiling as a part of a 3 bedroom apartment in a house. This low in ceiling, shoe-free zone is a mix of two cultures where the furniture gives you a feel of Scandinavia and the colors represent more of the Central / South American

Looking for one more roommate to fill a 3 bed/1.5 bath apartment in Ridgewood, Queens. The apartment has tall ceilings, exposed brick, and beams with an in-unit washer/dryer and roof access, we are one of two units in the building. You'd be living w/ two other folks, myself (a performing artist/educator) and another roommate who works for Google. We are both queer people of color, creative folks who are trying out our green thumbs and believe in leaving all public spaces in the apartment neat and tidy. We enjoy community and getting to know who we live with but also need our respective alone time so finding someone on that same wavelength is a must. Rent is \$933 + Utilities which run about \$20-\$30 a month.

Comfortable large room for 1 female. The apartment is spacious, modern, clean and also overlooking the beach. I am looking for a working professional woman who is mature, quiet, considerate of the shared facilities and wanting to live in a non smoking, non judgmental, clean and comfortable environment. The apartment has lots of space so we will not be living on top of each other and as I work away from home, there will be numerous occasions when you will have the apartment to yourself.

The apartment has all new furniture, a wonderful view of the beach and within walking distance of the A train, ferry to Manhattan, shops and restaurants. 1 months security in advance is required. Please get in touch if interested.
