My apartment is completely renovated with new kitchen, bedrooms and bathroom. I like to keep the shared spaces meticulously clean so neat freaks are welcome. I am easy-going and quiet. I work in midtown Manhattan in consulting services during the week and usually do errands or visit friends on weekends. It is small apartment so while the occasional guests are welcome, it is not a party space. The apartment is fully furnished and your room has a luxury bed/ mattress and writing table with a good sized closet. There is free laundry in the basement. My lease ends in May 2018 hence this is for a short-term arrangement. I would welcome visitors for a one week minimum stay.

**Additional Notes:**

It is a private bedroom in a 2 bedroom apartment. It is located between Franklin avenue and Classon in Crown Heights. It's in a fantastic neighborhood close to the 2/3/4/5 Franklin Ave. Station. The other two roommates are a quite, friendly, female couple. One is hearing impaired but can still communicate with no problem with those who are hearing. Because of this they are incredibly quiet and do not mind noise from another roommate. (Not that that's really a problem since you can't hear anyone in that bedroom) They have a sweet cat, Marty, who keeps to himself. The room is spacious and can easily fit a full sized bed. The monthly rent is \$875 a month plus utilities split 3 ways. There is an option to take on the lease
