I'm a 31-year-old gay man. I've been in this apartment for 4 years and my current housemates (brothers) are moving out. I'm looking for one housemate to take over their portion of the rent. The apartment is built more like a house, so the common room are very open and inviting - ideally, I'd like to find a housemate around my age who is the right mix of private and social.

In our combined 13 years of living in NYC, this is our favorite apartment that either of us has lived in. It's so warm and bright, with lots of exposed brick. The neighborhood is wonderful, with lots of trees, cafes, and schools. Fairly easy access to downtown Brooklyn, Prospect Park, and North Brooklyn too. There are many bus stops right outside the front door, and the A, C, and G trains are within easy walking distance. The building is a renovated four-family brownstone.
