Additional Notes:

My apartment is completely renovated with new kitchen, bedrooms and bathroom. I like to keep the shared spaces meticulously clean so neat freaks are welcome. I am easy-going and quiet. I work in midtown Manhattan in consulting services during the week and usually do errands or visit friends on weekends. It is small apartment so while the occasional guests are welcome, it is not a party space. The apartment is fully furnished and your room has a luxury bed/ mattress and writing table with a good sized closet. There is free laundry in the basement. My lease ends in May 2018 hence this is for a short-term arrangement. I would welcome visitors for a one week minimum stay.
