Additional Notes:

It is a private bedroom in a 2 bedroom apartment. It is located between Franklin avenue and Classon in Crown Heights. It's in a fantastic neighborhood close to the 2/3/4/5 Franklin Ave. Station. The other two roommates are a quite, friendly, female couple. One is hearing impaired but can still communicate with no problem with those who are hearing. Because of this they are incredibly quiet and do not mind noise from another roommate. (Not that that's really a problem since you can't hear anyone in that bedroom) They have a sweet cat, Marty, who keeps to himself. The room is spacious and can easily fit a full sized bed. The monthly rent is \$875 a month plus utilities split 3 ways. There is an option to take on the lease

Additional Notes:

Female roommate preferred -We live on the bottom floor of a brownstone in Bushwick. We are looking for tenants to rent out Apt 1, which is the floor above ours. The two apartments are connected by a staircase, so it is technically a duplex. However, entrances to both apartments is separate. Shared spaces include the backyard and the walkway to the backyard. We are looking for friendly and responsible roommates to rent out Apt 1, which is a 3 bedroom unit. Rent for the entire space \$2475. Ideally, we'd love for a couple to move in. Highlights for the space include very tall ceilings, large windows in every room, and a walk in closet off of the kitchen. The apartment has also been recently renovated with new hardwood floors,

Additional Notes: The apartment was refurbished just before I moved in, and management has made many improvements during the past two years: a complete renovation to the lobby, laundry facilities, consistently clean public areas, and more. I have made many improvements. The apartment has a dishwasher, nice hardware floors and new appliances, as well as large windows which let in lots of sunlight. It is in a nice, quiet neighborhood a few blocks from the train. Frequent buses are also very close and convenient. Prefer a roommate over 30 years old but I'm open to others as well.

Additional Notes:

I'm looking for a roommate in a beautiful 3 bedroom 1 bathroom in South Park Slope. Your room is 7x10. It fits a Full or Twin bed. It has a window facing inside of the building complex. The apartment has new appliances and a dishwasher and the floor are beautiful. It's a 4th floor walk-up accross from a school, a medical center, and a church with a garden. Laundry is a block away, groceries are 2 blocks away. Only .15m (less than 5 minute walk) from the F, R, and G. The landlord allows cats. I don't have one but I would love a roommate who does. You would be living with 3 neat and clean roommates. We are all friendly and respectful of shared space. Big needs: sharing chores equally, willingness to have talk
