Additional Notes:

Looking for a down to earth responsible, discreet, private, mature minded room mate, who looks forward to coming home to peace and quiet, and possibly even a good home cooked meal. My ideal roommate must be employed, the type of person who can appreciate a home like setting with NSA, business proposition only. I am easy going laid back clean and respectful, please be like minded. I don't entertain much because that's where trouble begins. Outside of that the layout for this share is perfect. The building is a gut renovation, converted to 3, family apts. There is only 1 family to each floor, and I am a 2flr walkup.
